Dear Valued Customer,

Re: Updates on Faster Payment System (“HKICL FPS”) Cross-border Payment Service

Thank you for banking with Sumitomo Mitsui Banking Corporation, Hong Kong Branch (the “**Bank**”).

In light of the HKICL FPS Cross-border Payment Service launched in Hong Kong in June 2023, please be advised that following its launch, the Bank will provide interbank transfer services in respect of inward FPS payments to the credit of accounts held with the Bank. The handling commission will be the same as that applicable for a general Inward Remittance (i.e. HKD20.00) from other channels.

Should you have any inquiry relating to the above, please feel free to contact your Relationship Manager or our Bank at 2206-2000.

Your faithfully,
